THURSDAY, SEPTEMBER 15, 1902.

RECENT REFLECTIONS.

Judge Bryson joined in matrimony J. S. Hastings and Belle Lamb.

A marriage license was granted to David C. Mack, of Topeka, and Margaret A. Wakefield, Holton.

Marriage licenses were granted Chas. H. Ashling and Lydia Kinderdick Woodbine; Frank Carlisle and Ida S. Spahr, Abilene.

A former Abilene boy, W. S. Jenks, was nominated for county attorney in Franklin county this week. Will prove a winner.

Letters received last evening announced the death on Sept. 5 of Mrs. W. A. Welsher, formerly of this city, at Little Rock, Ark., where Rev. Welsher is pastor of a leading church. Her many Abilene friends will be sincerely sorry to learn of her demise.

Schools Open Sept. 19.

Owing to the danger from scarlet fever, the school board has decided to open the schools one week later than was expected, and they will begin Monday, Sept. 19 instead of Sept. 12. It is hoped that by that time there will be no danger from the disease.

Another Abilene Racer.

Another Abilene horse came out in first place at the Wilson county races at Fredonia Wednesday afternoon. In the half mile trot, \$500 stake, for foals of 1891, Astrone, by Prairie Star, owned by G. A. Rogers & Co., of this county took the second and third heats, best time 1:29. Astrone is one of the best yearlings in Kansas and gives promise of fine work in the future.

Bollinger's Sheets.

A pleasant home wedding occurred at the residence of Rev. and Mrs. John Sheets, north of Detroit, Tuesday evening, Sept. 8, at 4 o'clock, when their daughter, Katie, was married to Mr. John Bollinger, Rev. Samuel Zook, Sr., officiating. Miss Sarah Engle, of Detroit, acted as bridesmaid and Mr. Wagonman, of Brooklyn, N. Y., as groomsmen. About 60 guests were present at the ceremony and enjoyed the bounteous hospitality of the Sheets home and showered good wishes upon the bride and groom. A number of valuable presents were received. Mr. and Mrs. Bollinger are well known in Dickinson county and have many congratulations. Mr. Bollinger will teach the Central school this coming term.

A Nobby Shop.

One of the prettiest barber shops in the State is the Elite. It has put in a fine hard wood case, finished in oil, and together with other improvements is putting on metropolitan airs. The proprietor, Mr. J. P. Tyler, is a wide-awake business man and is making the Elite the leading tonorial parlor in Abilene.

A Mother's Mistake.

Mother's frequently make a mistake in neglecting the cough of a child. A Fort Wayne, Ind. lady writes: "My little daughter, six years old had a severe cough, but as it was nothing unusual, I thought nothing of it and allowed it to run along for 4 or 5 weeks when it became so obstinate that she began losing flesh. I called in a physician who treated her for three weeks without benefit. A neighbor insisted upon my trying Ballard's Horchound Syrup; it relieved her from the first dose and she began gaining flesh rapidly. When we had used two bottles her cough had entirely disappeared. I would not be without it. It does not constipate my children." Ballard's Horchound Syrup is free from opiates. It is the most soothing throat and lung medicine in the world. Price, 50c and \$1. Sold by C. E. Northcraft & Co.

CAMP LIFE ENDED.

VETERANS CLOSE THE SUCCESSFUL REUNIONS.

An Excellent Campfire Held—Good Speeches and Inspiring Music—Officers Elected for the Ensuing Year—The Ladies' Doings.

[Thursday's Daily.]

Soldiers in war and soldiers in peace are not so vastly different after all if we judge from the descriptive speeches of the reunions. The veterans in camp in Abilene in the past three days have been as jolly, as independent and as ready for a good meal as ever were soldiers in the field. They are going home tonight and all of them with pleasant memories and good words for their hosts.

THOUSANDS OF PEOPLE gathered in the Pacific park last evening to attend the second campfire of the reunion. Space prevents a complete report of the fine address made. All were enjoyed and cheered.

After music by the band Ex-Gov. G. T. Anthony was introduced and made a splendid talk to his old comrades. He is one of Kansas' most polished orators and his description of war days was listened to with interest.

Mrs. H. J. Hodge sweetly sang "Swanee River."

Adj. A. R. Campbell of the G. A. R. made a stirring speech on the objects, influence and methods of the Grand Army.

"Jake Schneider's Ride," a parody, was recited by Chas. McElhenny.

Bernard Kelly, Kansas' pension agent, was introduced and made one of his characteristic G. A. R. addresses.

Mrs. M. B. Wickins, of Sabetha, next made a short address on the aims and influence of the W. R. C. Mrs. Wickins is senior vice president of the National W. R. C. and will be supported by Kansas at the Washington encampment for the presidency.

REUNION MEETINGS.

The Fifth District reunion association met at the court house this morning at 10 a. m., President O. L. Moore in the chair.

He stated that he was wholly unable to find any records or constitution of this association.

Comrade Burnell of Clay Center reported that he as chairman of the executive committee assisted in preparing constitution and bylaws that after adoption were placed in the hands of a printer who died suddenly, and the constitution and bylaws have never been found.

The name of Salina was placed in nomination by Capt. Geo. Spencer as the place to hold the next reunion of this association and was supported by a number of others who spoke in its favor. The name of Junction City was also suggested.

On motion the city of Salina was selected by acclamation as the place for holding the next reunion. Comrades Johnson, Gibson and Shumway were selected as a committee to inform the W. R. C. that Salina had been selected as the place of next meeting.

On motion the rules were suspended and Capt. Geo. K. Spencer was elected president of this association for the ensuing year.

On motion the rules were suspended and Capt. J. J. Reagan was elected senior vice president of this association.

On motion the District banner is to be held the coming year by Fast Post, they having held it the past year and no competition for the banner this year motion withdrawn and on motion the

banner is turned over to the newly elected officers to take charge of the banner, giving Fast Post the privilege to carry the banner in the procession at next reunion and to be open to competition.

On motion committee of five was appointed on constitution and by laws to report at our next reunion as follows:

Burnell, Matteson, Thompson, Johnson, Lowe. Commander, secretary and quartermaster were added to the committee.

On motion a vote of thanks was tendered the people of Abilene for their hospitality.

LADIES' MEETINGS.

The exemplification of the secret work of the W. R. C. by Abilene members in Pythian hall yesterday afternoon was witnessed by a large number of ladies and gentlemen. Afterward were addresses by A. B. Campbell, H. S. Coulter, Gov. Anthony and others.

The Ladies' Fifth District Reunion association met this morning, Mrs. Moore presiding, Mrs. D. W. Nail, secretary.

Officers were elected as follows: Mrs. Haskell, Salina, president; Mrs. Kimball, Manhattan, vice president; Mrs. Emma Eagle, Abilene, treasurer; secretary to be appointed.

A vote of thanks was tendered the Abilene ladies for their hospitality and Salina was selected as next place of meeting. Adjourned.

[Friday's Daily.]

The reunion is over. The last campfire has been held; the flags are lowered, the merry-go-round has slipped away and the lunch stands and cane establishments have folded their establishments into small quarters and decamped. Soon the National Guard tents will be taken down and all will be deserted around Camp Gore.

The closing campfire was held in the Pacific park last evening. O. L. Moore presided and first introduced E. C. Little who made an eloquent and interesting talk.

Rev. Father J. F. Leary followed in an instructive reminiscent speech; telling of the trials of the war days. He was heartily cheered.

Major J. K. Hudson, editor of the Topeka Capital, then delivered one of the best speeches of the reunion. The major was active throughout the war in helping put down the Rebellion and his words were eagerly listened to.

S. B. Burnell, of Clay Center, closed the meeting with a brief but pleasing address.

The visitors nearly all left on the midnight and morning trains. A few remained until noon. All had pleasant words to say of Abilene and Abilene's G. A. R. and W. R. C. people.

Veterans registered at headquarters as having served in the army from various states as follows:

Iowa 22, Missouri 16, Michigan 14, Wisconsin 2, New Jersey 3, Pennsylvania 59, New York 17, Kentucky 19, West Virginia 9, Maryland 17, Ohio 72, Illinois 82, Kansas 15, Tennessee 2, Indiana 50, Minnesota 1, Connecticut 2.

How to Become Fleas.

Dr. Miles' nerve not only cures all nervous diseases, headache, blues, nervous prostration, sleeplessness, neuralgia, St. Vitus dance, fits and hysteria, but also builds up the body. I am pleased to say that after years of intense suffering with nervous disease, headache and prostration, I tried Dr. Miles' Restorative Nerve, and in two weeks gained eight pounds in weight. I could not lie down to sleep, but now sleep perfectly easy, and am still improving wonderfully. Cannot say enough for the Nerve.

Mrs. L. B. Millard, Dunkirk, N. Y.: "One Summer used Nerve and gained fifteen pounds in flesh, says Brown & Maybury, Cortland, N. Y. Trial bottles and elegant book free by J. M. Gleasoner."

Some Foolish People.

Allow a cough to run until it gets beyond the reach of medicine. They often say, oh it will wear away, but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which is sold on a positive guarantee to cure, they would immediately see the excellent effect after taking the first dose. Price 50c, and \$1.00. Trial size free at all druggists.

ABILENE'S RAPID RACERS.

THREE FIRST PRIZES TO THEIR CREDIT.

Close of the Eighth Annual Tournament and Firemen's Association—Fast Time and Records Broken—A Harmonious and Successful Session.

[Thursday's Daily.]

Every visitor to the city has been duly welcomed, faithfully entertained according to Abilene's ability and so far as learned by the REFLECTOR is going home with only words of commendation.

The firemen particularly seem pleased with the hospitality of the Abilene department. Certainly the home companies have earnestly striven to make the meeting a success. Under Chief Kieffer and Secretary Long, the members, one and all, have put in time and money trying to please their visitors and we believe they have succeeded. The prizes have been eagerly struggled for but good feeling has prevailed and we are proud to point to the record of the Abilene meeting as compared with the wrangling and disputes that marred some previous gatherings of the association. The firemen have throughout the tournament been perfect gentlemen and not an unmanly act has marred the harmony or appearance of this Fifth annual session.

When Abilene's firemen undertook the task of entertaining they promised the business men of town that they would "do it right." The verdict everywhere is that they nobly kept the promise.

ASSOCIATION PROCEEDINGS.

The adjourned session of the State association met in City hall at 7:30 last evening with President Phil Gardner in the chair.

Minutes of previous meetings were read and approved.

A resolution to send two delegates to the International Firemen's convention at Chicago was carried.

Delegates were selected by ballot. Phil Gardner, Solomon, and J. P. Cadden, Beloit, were chosen. Wm. Angood, Newton, and R. W. Jones, Clay Center, were selected as alternates.

A resolution to adopt the National firemen's button as an emblem of the association was carried.

The secretary's report was read and referred to the executive committee.

No further business being before the association the Fifth annual session adjourned to meet at call of president.
